President's Report

1. School Disco is Saturday 1st March. The History and Geography quizzes are almost ready to go. There will be two History and one Geography per table, probably 10 tables of 8 people. Glow sticks have been ordered. We have received the license, and will need to bring it on the night. The bar price list is done. Doors open 7:30pm - finish at 11pm. We have the hall from 4:30pm and will need to arrive then and set up. 11-11:30 clear up.
2. Eleanor's prospective blog entry met with approval. It would be good if we could add regular entries and photos to it. A version to give to Rotary would also be good.

Rotary

1. Michael Mountford visited briefly and delivered some seeds

Community

1. We have received a letter from Iver Heath Infants school and nursery. They are in desperate need of redecorations. They have 6 classrooms plus other learning areas. We have confirmed our interest and have asked for more details on what exactly they would like us to do.
2. Iver youth club would like us to re-lay slabs in front of their clubhouse. Rotary could possibly supply materials and we could provide labour.
3. Longridge project in Marlow -sun march 9th and april 13th 10am onwards want help cleaning, sweeping, painting. Bring lunch and gloves. They also have a family fun day - May bank holiday (Monday 5th May) - free to Rotaract & families
4. 8th March - Windsor jazz concert - they need help running the bar. Windsor Parish Church from 7:30.
5. We've been sent info about 'Golden Balls' - filmed at BBC studios (White City) for ITV. 2:15 or 6:15 recordings available.
